SAVE THE COMMUNITY AIRPORT CONTEST

The New Jersey Aviation Education Council is a non-profit organization of teachers and aviation professionals who are interested in helping to promote aviation education to teachers. We do this by presenting workshops at the various teacher conventions around the state of New Jersey to educate the teachers in ways that they can bring aviation into the classroom via math and science activities. We also have speakers available to go into the schools to make presentations to the children.

The Council will be holding a contest for children who reside or go to school in the state of New Jersey and who are between the ages of 6 and 18.

We would appreciate it if your organization would distribute the contest information to the children in your organization..

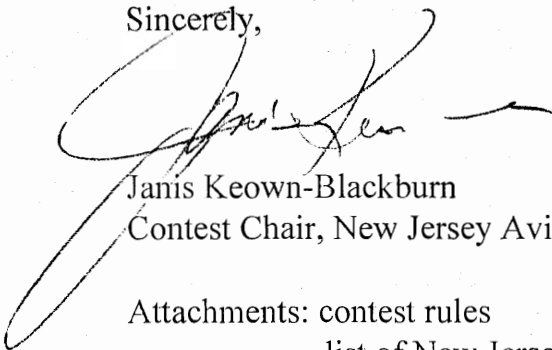

Attached you will find a list of the contest rules.

We feel that the community airports are important to their local communities in many ways. We would like the public to learn more about their community airport and believe that a contest for the children is a great way to start. We feel that if the child, and the adult who accompanies the child, have an opportunity to speak with the people who work there they will learn more about the service the airport can and does provide.

We appreciate your assistance with this project. We are hoping to have an great response.

Thank you.

Sincerely,

Janis Keown-Blackburn
Contest Chair, New Jersey Aviation Education Council

6-9

10-13

14-18

Photo Size?

Between 3 ½ x5 and 8x10

Type of photo?

Digital or film camera may be used.

Actual photo sent to: New Jersey Aviation Education Council, c/o J. Blackburn, 106 River Ct., Belmar, NJ 07719

Name, address, phone number, and child's age as of 1 May 2007 must be on the back of the photo and legible or attached to the photo

One (1) entry per envelope

No more than 6 entries per child

Subject?

Anything at a local airport (Newark, Teterboro, and Atlantic (Pamona Airports excluded) ex: airplane taxing, on takeoff/landing, fuel truck, pilot (s), aircraft panel, student pilot and instructor, etc.

Ownership of photo?

All photos will become the property of the NJ Aviation Education Council. No photos will be returned unless a self-addressed, stamped envelope is included.

New Jersey Aviation Council may publish the photo.

Time period?

Photos must be received by the NJ Aviation Education Council no later than 01 May 2007.

Actual taking of the photo?

The child must be the one to take the photo with no assistance.

A parent/guardian (age 21 or older) must accompany the participant to the airport.

The parent and participant must stop at the airport office, flight school office, or fixed base operator and introduce themselves and inform the personnel why they are there. The

child's name, address, age, and phone number must be on or attached to the photo.

Essay

A short essay (age appropriate) must accompany the photo:

The essay must explain the photo and discuss why the airport is valuable to the community.

The essay may be any length up to 1000 words.

The child's name, address, phone number and age must be on the essay.

Judging

The photo and essay will be judged on originality and content.

The decision of the judges will be final.

The winners will be notified by phone or mail. For a list of the winners, please include a self-addressed, stamped envelope marked "winner's list".

An awards ceremony will be held, **date, time, and location to be announced**
